

lites.asia - Seventh Regional Meeting

Four Seasons Hotel, Jakarta, Indonesia, 22-23 April 2013

PROGRAM

DAY 1		
09.00	Registration	
09.30	Welcome and introductions <i>Welcome from our sponsor and country hosts plus a round table introduction of all delegates.</i>	Ms Melanie Slade <i>Director Lighting and Equipment Energy Efficiency Team Department of Resources, Energy and Tourism</i> Mrs Maritje Hutapea <i>Director of Energy Conservation Ministry of Energy and Mineral Resources</i>
IEC Update		
09.45	Discussions and outcomes of recent IEC lighting meetings <i>Updates on discussion at, and outcomes from, the recent IEC meetings in Milan (January) and Korea (April), with particular focus on:</i> <ul style="list-style-type: none"> • <i>CFLs: The latest progress on IEC 60969 measuring the performance of CFLs and the outcome of proposals the IEC deliberations on the development and adoption of performance tiers formally supported by lites.asia members at the last meeting;</i> • <i>LEDs: All the news on developments on LED standards, in particular those related to whole lamp packages.</i> 	Mr David Boughey <i>Assistant Director Lighting and Equipment Energy Efficiency Team Department of Resources, Energy and Tourism</i> Mr Owen Manley <i>Technical Manager Lighting Council Australia</i>
lites.asia Collaboration Projects		
10.30	Update on progress of lites.asia collaborative projects <i>A review of progress on the various lites.asia country collaboration projects and an opportunity for participants to exchange ideas on project implementation and national participation. Projects to be discussed:</i> <ul style="list-style-type: none"> • <i>Communications library;</i> • <i>Labelling supervision survey;</i> • <i>Training for testing laboratory staff;</i> • <i>Regional tropical performance criteria</i> 	Ms Moira Mathers <i>lites.asia Coordinator Jeffcott Associates</i> (Postponed to Day 2 due to time constraints)
11.15	Break	

News on LEDS		
11.45	Developments in LEDs standards in Japan <i>A summary review of the current state of development of LED Standards in Japan, including issues related to LED handling and safety.</i>	Mr Hiroki Nakagawa and Mr Kenji Sugiyama <i>Japan Lighting Manufacturers Association</i>
12.15	Introduction to the CIE and the new CIE draft international standard test method for LED lamps	Mr Tony Bergen <i>Technical Director Photometric Solutions International Pty Ltd</i>
12.30	Update on the IEA 4E SSL Annex	Mr David Boughey
12.45	Update on US CALiPER testing program	Mr Stuart Jeffcott <i>lites.asia Operations Manager Jeffcott Associates</i>
13.00	Lunch	
Indonesian Special: Standards, Labelling and Lighting		
14.00	Policies on energy efficiency standards and labelling in Indonesia <i>An overview of the overall structure of appliance and lighting standards and labelling development in Indonesia</i>	Mrs Maritje Hutapea <i>Director of Energy Conservation Ministry of Energy and Mineral Resources</i>
14.30	Roadmap of lighting industry in Indonesia <i>A government perspective on the future road map for the lighting industry development and regulation in Indonesia.</i>	Mr Triharso <i>Director of Electronics and Telematics Industry Ministry of Industry</i>
15.00	Indonesian lighting industry: Past, present, and future development	Mr Ardie Mocharyoso <i>President AILKI (Association of Luminaires and Electricity Industry Indonesia)</i>
15.30	Break	
Daylighting		
16.00	Daylighting: An underused resource <i>Natural daylight is an underused resource that has huge potential to reduce energy consumption, particularly in commercial and industrial spaces. In this introduction to the topic, lites.asia attendees will see some of the general principles, but more importantly, real applications of daylighting from around the region.</i>	Mr Jimmy Priatman <i>Chairman Center for Building Energy Study - Research Center-UKPetra</i>
16.45	Daylighting and the National Building Code of the Philippines <i>A brief presentation on the challenges of integration of daylighting (and other regulations) into national building codes.</i>	Ms Raquel Huliganga <i>Director Philippines Department of Energy</i>
17.10	IEC's Lighting Asia and Green Building Code programs	Mr Autif Sayyed <i>Regional Green Building Specialist</i>
17:30	Activities on daylighting in participant countries <i>A round table discussion on national developments activities that relate to the integration of day lighting in national activities, standards requirements, etc.</i>	lites.asia attendees
18.00	Close of Day 1	
18.30	lites.asia dinner
