*Australian Department of Resources, Energy and
Tourism*

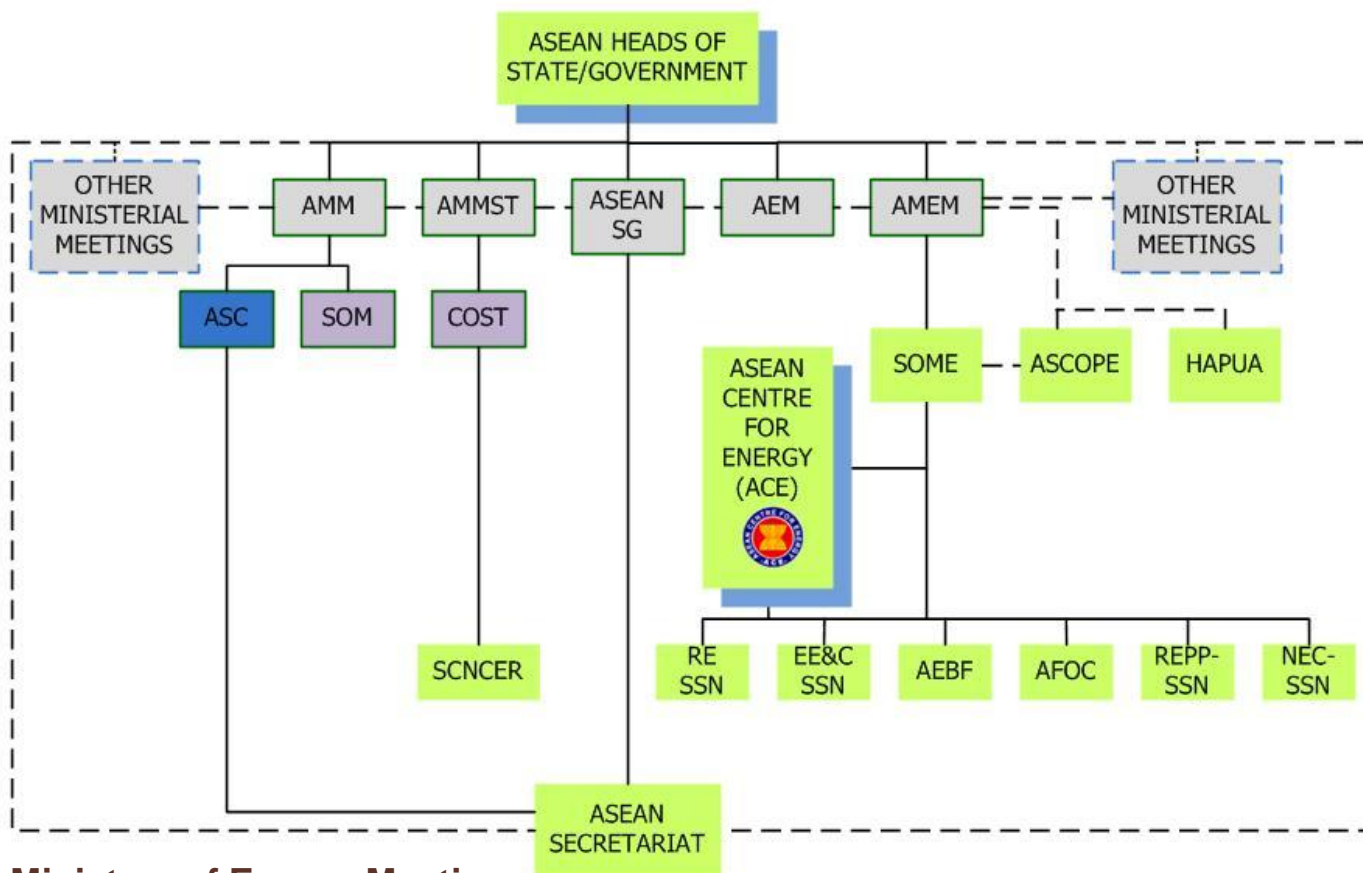

Association of South East Asian Nations

2

- “*One community, one destiny*”
- Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines, Singapore, Thailand and Vietnam
- ASEAN Economic Community (AEC)
 - the ASEAN single market to be implemented in 2015
 - the eighth largest economy in the world

ASEAN Structure

3

AMEM = ASEAN Ministers of Energy Meeting

SOME = Senior Officials Meeting on Energy

EE&C SSN = Energy Efficiency and Conservation Subsectoral Network

ASEAN Centre for Energy

4

- Many energy efficiency projects since 1999
 - Currently most relevant to product standards is a collaborative program with the Government of Japan
 - Other collaborations under discussion e.g. US, China and Korea

ASEAN's Harmonized Electrical and Electronic Equipment (EEE) Regulatory Regime

5

- Creates a framework to facilitate flows in electrical and electronic products - the most highly traded manufactured products in ASEAN
- Joint Sectoral Committee on Electrical and Electronic (JSCEEE)

Can *lites.asia* help?

6

- What are the next steps?
- What should we research?
